

REMARKS

In response to the Office communication dated 07/28/05, applicant is submitting herewith an amended listing of claims to conform to the current Office claim standard. Applicant notes that the originally filed claims contained two claims numbered as "11." As per a telephone message from the examiner on August 9, 2005, applicant is renumbering the original claims which now read claims 1-20. Applicant has described several of these claims as "currently amended" although nothing has changed except the claim number. Applicant is also correcting a mis-numbering of claims arising out of the 6/10/05 amendments.

Applicant also notes that a new power of attorney was submitted in this case on 03/24/05 which referenced the Custom Number associated with the undersigned's firm. However the 07/28/05 communication was addressed to the previous attorney, Thomas S. Keaty. Applicant is attaching a copy of the power of attorney submitted on 03/24/05 and requests that the Patent Office records be updated to reflect the Customer Number indicated in this power of attorney.

Respectfully Submitted:
